Tasks and Jobs:

Please check the boxes that are applicable to your wishes; if you check a box, it means you are willing to help with these tasks or jobs. Please be honest about your level of experience, so our expectations will be appropriate.

B-Nature will take your wishes into account, but reserves the right to assign you to any task it sees fit.

APPLICATION FOR VOLUNTEERING

Thank you for your interest in volunteering with us.

Attached, you will find an application form which will help us to know you a little better.

Your information will help us to find a good match for your qualities and skills in our company because too high or wrong expectations, could lead to disappointment and frustration, on both sides.

By filling out this form, it does not mean that you are automatically accepted. Your application will be used to evaluate if, where and how we can use your help.

Why are we asking you for specific information?

Available period:

Please state the exact duration of your stay. We expect your commitment to respect this period. As mentioned earlier, we expect you to partake a minimum of 2 consecutive months with B-Nature.

Motivation:

What would you like to learn while working with us? Shortly describe why you would like to be working with us! It's important for us to know your mind-set. B-Nature's approach to volunteering is to grant a unique chance for a 'learning-by-working' experience in a professional organisation in the tourism industry.

Skype name:

We will at least have one skype interview with all our applicants. We prefer Skype, due to its ease of use. So please provide your skype name.

Physical condition/restriction:

Your condition or restriction will not have a direct impact on our decision, but will be taken in consideration towards type and location of work. Please understand that Norwegian terrain can be rough, and therefore inaccessible for people with physical restrictions.

Diet/food choice:

Do you have a special diet or allergy? We do our best to fill in everyone's needs up to some extent. Part of B-nature's vision is to live and eat healthy. Although we will not force this vision on to you, some products will not be found on our table.

How do you travel?

How are you planning to travel to us? Are you coming straight from your home, or are you on a tour. With what transport do you expect to travel, and where will you arrive?

When you return this form, please describe shortly what your expectations are and how you see working with us, in the accompanying mail.

Thank you for showing interest in our organisation and for your willingness to help us out.

Kind regards,

Remco Bremmers
